1. The Chinese Learning Program by Language Center offers accredited Chinese courses available only for current international students, oversea Chinese students and exchange students at National Changhua University of Education.
 2. The grades of these Chinese courses are accredited by NCUE, and are calculated for the student's grade point average in that semester. However, the students' departments may decide whether these credits count as credits to graduate.
 3. International students whose native language is not Chinese or their second language is Chinese should take the Mandarin Chinese courses appropriate for their levels under the evaluation of the Language Center at NCUE. The compulsory "Freshman Chinese courses" and "Advanced Chinese courses" (under the category of Chinese courses) and "Advanced English and Second Language courses" (under the category of Advanced English and Foreign Languages) offered by the General Education Center could be waived by these Mandarin Chinese courses offered by Language Center.
 4. The accredited Chinese courses are all elective courses in NCUE. Label I classes are not prerequisite for taking label II classes. After the evaluation of the Language Center at NCUE, the international students can take label II classes even they do not take label 1 classes first.
